AquaVan

The AquaVan brings the excitement of the Audubon Aquarium of the Americas into the library featuring live aquatic or terrestrial animals and interactive hands-on displays! Best for children 3+.

Didgeridoo Down Under

A high-energy, Australia-themed show that combines music, culture, puppetry, comedy, storytelling, and audience participation.

Donald Lewis

Stories Here, There, and Everywhere – Kids travel the world and learn enchanting international stories.

The Hampstead Stage Company

Two new plays for 2019: Rudyard Kipling's "The Jungle Book" and an exploration of Greek myths in "Stories in the Stars."

Irwin Royes

Join the "World's Smallest Magician" for a fun-filled magical show!

JoJo the Magician

Come and be amazed at the magic of JoJo the Magician featuring a live rabbit and dove!

Mad Science Workshops*

Participate in a hands-on space workshop!

**Limited to 25 participants; please contact the branch to register.*

Mad Science Event: Up, Up and Away

A spellbinding special event that introduces kids to the principles of air and pressure. The Mad Scientist will make a hot air balloon, use a vortex generator to create giant smoke rings and show a hovercraft in action!

Mad Science Event: Fire & Ice

This spectacular show will thrill audiences with impressive science experiments including foggy dry ice storms, giant beach balls floating in the air, and more!

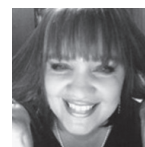

Matt Noel and the Magic Yo Yo

His stage show comes to life with magic, yo-yos, juggling, and comedy!

Mike Artell

Kids draw along as the award-winning children's author/illustrator shows them how to draw people, animals, objects, special effects, and much more.

Sing-A-Long with Miss Judy

Sing lots of fun songs and have lots of fun! This program is intended for children up to 3 years old.

Melon Songs with Mr. Phil

Join us for the famous 'Melon Songs' concert performed by local musician Phil Melancon, Jr.

Porta-Puppet Players

The Porta-Puppet Players present high-energy stories with some puppet helpers! A different story will be performed at every performance!

Professor Universe

So you want to know how the universe works? Look no further, because Prof. Universe will take you on a comedic journey about space and the real-life magic of reality: light, gravity, stars, black holes--and laughs!

Rick Kelley

An interactive musical concert for the whole family!

ZOOMobile

The ZOOMobile from Audubon Zoo brings to you the wonders of the natural world by interactive presentation and hands-on animal encounters! Best for children 3+.

Wind In My Feathers*

A thrilling presentation of a variety of live, non-releasable raptors! Best for ages 5+. Audience size is limited; contact library for registration policy.

Camps, daycares and groups of 5+ MUST contact the branch before attending a program. Some programs have audience restrictions and space limits.
